“ My undergraduate experience couldn't have gotten better than this. I've learned everything I know from Viswam - Madanapalle. The faculty has been friendly and very encouraging. They've inspired me to follow my dreams, motivated and guided me through the process of getting into a great career. They've conducted various technology conclaves, guest lectures and soft skills training which have helped me to improve my interpersonal skills. They not only focused on education but also overall development of a student. I personally thank the Chairman and Principal for inspiring me. ”

“ Throughout the course of my time at ' Viswam Engineering College, I've had countless opportunities to develop analytical skills, leadership and proactive thinking through various programs and events. Those were the key reasons that helped me work with top MNCs. I thank the faculty, management and owe it all to them. My sincere appreciation & gratitude to the Career Advancement Department for their support and encouragement which would not be possible without them. ”
